The screenshot shows the Eclipse IDE interface with a Java application running in the Console view. The application is a command-line program for NGO operations. It starts with a welcome message and a menu for User Admin Registration, Admin Portal, and Donor Portal. The user enters '2' for the Admin Portal. The Admin Portal menu includes Project Portal, Donar Portal, AddActivity Portal, and Payment Portal. The user selects '4' for the Payment Portal. The Payment Portal menu lists List of Donation Details, Payment Release, and Maximum Amount Donation. The user then enters '1' for List of Donation Details.
